ADVERTISEMENT OF REQUEST FOR PREQUALIFICATION (RFQ)
OF GENERAL (PRIME) CONTRACTORS SEEKING
TO BID ON CONTRACTS FOR JOB ORDER CONTRACTING (JOC)

JOC No. 014 and JOC No. 015
Due October 28, 2020

NOTICE IS HEREBY GIVEN that pursuant to Public Contract Code Section 20101 the County of Riverside (“County”) invites qualified contractors to complete and submit a Prequalification Questionnaire and other required documents for the purpose of prequalifying, based on financial ability and public contracting experience. This prequalification process is a mandatory process for all Licensed Contractors who intend to submit bids for Construction Projects to be issued by the County of Riverside for a period of one year (12 months) following issuance of Notice of Prequalification.

It is the County’s intent to utilize contractors prequalified through this solicitation process to bid on contracts under the Job Order Contracting (JOC) project delivery method, which is characterized as small to medium maintenance, renovation, or reoccurring work other than new construction. However, the County reserves the right to require a separate prequalification process for any work whenever the County makes a determination that the work requires certain higher level of resources and/or specialized experience and qualifications (“Specialized Work”). A Contractor who is prequalified hereunder shall not be prequalified for this Specialized Work unless that Contractor prequalifies under that separate prequalification process.

This Job Order Contracting prequalification is intended for general contractors performing work as a Prime Contractor under a “B” license. Contracting firms holding multiple licenses are eligible to submit an application under a “B” license; contingent upon contractor’s demonstrated experience as a “B” licensed Contractor responsible for the prime contract for the entire project with portions of the work having been assigned to subcontractors.

All Contractors bidding on contracts for Job Order Contracting (herein referred as “Work”) for the County must be prequalified in order to submit bids for award for General County Facility Renovation, which is inclusive of health and public safety facilities.

It is mandatory that all Licensed Contractors who intend to submit bids for Work encompassed within this prequalification process must: (1) fully complete the Prequalification Questionnaire, (2) provide all materials requested herein, and (3) be approved by the County prior to submitting bids on future Work. No bid will be accepted from a Contractor that has failed to comply with these requirements. Contractor must be prequalified, as demonstrated by the County’s Notice of Prequalification, prior to the closing of bidding for any Work. Failure to obtain prequalification by bid closing shall bar Contractor from the submission of its bid on the Work.

Bid(s) received from any Contractor(s) not approved as prequalified will not be considered and will be listed as not responsive. Contractors who submit a complete prequalification package will be notified by electronic mail of their qualification status, such notice to be provided following completion of the County’s evaluation of the information submitted by Contractor, unless additional information, interview or lead personnel, or an on-site evaluation is requested of the applicant.

Any person or entity wishing to be considered for prequalification (“Applicant”) must submit a completed Prequalification Questionnaire and other information as required by the Instructions to Applicants (“Instructions”) that are part of the County’s Request for Prequalification, on the County’s Website at <https://rivcofm.org/About-Us/Proposals>. Alternate formats of this notice for individuals with disabilities are available upon request.

A Mandatory Prequalification Conference will be conducted on Thursday, October 8, 2020, commencing promptly at **1:30 p.m.** via MS Teams. Attendance of the Prequalification Conference is mandatory. To participate, please provide your e-mail address information for an invitation to Teresa Valadez at TRValadez@Rivco.org or call (951) 955-0396 by 3 working days prior to the scheduled meeting.

All Prequalification Questionnaires and other information required by the Instructions to be submitted by Applicants ("Prequalification Submittals") shall be prepared in conformance with the Instructions using the forms referenced therein or attached thereto. **Prequalification Submittals must be hand-delivered or mailed by Applicants so that they are received by County at 3133 Mission Inn Avenue, Riverside, CA 92507 no later than 5:00 p.m., October 28, 2020**, which date and time are subject to extension by Prequalification Addendum. The Applicant assumes full and sole responsibility for timely receipt of its completed Prequalification Submittal at the location noted above.

Interpretations, corrections, and changes by the County of the Prequalification Documents will be made by Prequalification Addenda. Interpretations, corrections, and changes to the Prequalification Documents made in any other manner shall not be relied upon by Applicants and will not be binding upon the County. It is the obligation of the Applicant to verify issuance of Notice by the County of a Prequalification Addenda by checking County's website at:

<https://rivcofm.org/About-Us/Proposals>

County will seek to distribute such Notices to Applicants via email or addresses as provided by Applicant. Failure of an Applicant to receive a Prequalification Addendum shall not entitle the Applicant to an extension of the Prequalification Schedule nor shall it permit the submission of any additional prequalification information after the deadline for receipt of the Prequalification Submittal set forth in the Prequalification Schedule.

Questions relating to this project should be directed to:

This authority is in addition to, and shall not be construed as a limitation upon, any other authority or right of County that may exist under applicable laws to conduct this prequalification or to separately determine the responsibility or qualifications of any Bidder for any future contract within the Prequalification Categories.

1.4 Work. Subject to the County’s reserved rights under Section 1.12, below, Prequalified Bidders will be invited to submit Bids for Award of a Contract(s) for Work as described above in Article 1.2, issued for bid by the County within one year (12 months) of Issuance of Notice of Prequalification

1.5 County’s Budget. The County’s estimated target budget for the Work will be published as part of the Notice Inviting Bids for the specific Work. The foregoing statement of the County’s Budget does not constitute a promise or representation that County will Award a Contract for the Work to a Bidder submitting a Bid equal to or less than the amount of the County’s Budget.

1.6 Basis for Prequalification. An Applicant, as defined in Section 1.8, below, will be determined by County to be prequalified or not prequalified on the basis of the information it provides in its written submittal provided pursuant to these Instructions, concerning the Applicant’s financial ability and experience in performing public works. In the case of an Applicant that is a Project Joint Venture, as defined in Paragraph 4.4.7, below, the Applicant will be prequalified or not prequalified based on the information provided by Applicant in its Prequalification Submittal concerning the financial ability of the Principal Managing Partner as that term is defined in Paragraph 4.4.7 below, and experience in performing public works of the Constituent Members

1.7 Deadline. An Applicant wishing to be considered for prequalification must submit its Prequalification Submittal(s) to County on or prior to 5:00 p.m., **October 28, 2020**. Such deadline is subject to extension by County by Prequalification Addendum.

1.8 Applicant. The term “Applicant” means an individual, corporation, partnership or Project Joint Venture (as defined in Paragraph 4.4.7, below) submitting a Prequalification Submittal.

1.9 Applicant Constituent Members. The term “Applicant Constituent Member” means an individual, corporation or partnership that shares directly in the profits, losses, and liabilities of an Applicant. For example, and without limitation to the foregoing, if the Applicant is a partnership comprised of a partner who is an individual and a partner that is a corporation, the individual and the corporation are each an Applicant Constituent Member.

1.10 No Substitutions. No changes in or additions to the Applicant Constituent Members of an Applicant shall be permitted after the deadline for submission of Prequalification Submittals, except with the prior written authorization of the County, which authorization may be granted or withheld in the County’s sole and absolute discretion.

1.11 Interested Parties. There is no limitation on any individual, partnership, corporation or Project Joint Venture (as defined in Paragraph 4.4.7, below) participating as an Applicant, or on any individual, partnership or corporation participating as an Applicant Constituent Member, in more than one Prequalification Submittal. However, no Prequalified

Bidder shall be allowed to submit more than one Bid for any one specific contract issued by the County or be "interested in" a Bid submitted by any other Prequalified Bidder for the Work. "Interested in", as those words are used in this Section 1.11, means that a Prequalified Bidder or an Applicant Constituent Member of a Prequalified Bidder who has a managerial or financial interest in another Prequalified Bidder.

1.12 Reserved Rights. County reserves the right to conduct further prequalification of Bidders, conduct open bidding (i.e., bidding by general public notice and without any requirement for prequalification) or to withdraw the contract from prequalification, bidding, or Award with or without the resetting of the Work for further prequalification, bidding, or Award in the future.

1.13 No Warranty by County. Applicants are solely responsible to satisfy themselves as to the suitability of any information provided by the County that is in the nature of estimates of costs, statements of needs or requirements, projections, budgets, or other information describing the proposed contract or work contemplated by this prequalification, and nothing stated in these Instructions or its attachments shall be construed as implying the creation or existence of any warranty, express or implied, on the part of the County with respect to the accuracy, sufficiency or completeness of such information.

1.14 No License. A determination by the County prequalifying an Applicant shall not be construed as a license to do business for or within the County.

1.15 Debarment, Non-Responsibility. A determination by County that an Applicant is not prequalified does not, unless otherwise expressly stated by County at the time of issuance of its prequalification determination, constitute a finding or determination of debarment or that the Applicant is not a responsible bidder as defined in Public Contract Code Section 1103. A determination by the County that an Applicant is prequalified shall not be interpreted as precluding the County, before, at the time of or after receiving a Bid from such Applicant for the Project, from: (1) imposing new or additional responsibility requirements or qualification conditions upon all Bidders, including, without limitation, Prequalified Bidders, as part of the bidding process for the Project; (2) making a determination that a Prequalified Bidder lacks the quality, fitness, capacity or experience to satisfactorily perform the Project; or (3) requiring prequalification or post-bid qualification of any Subcontractor.

1.16 Objections by Applicant. Any objection by an Applicant to the procedures or processes set forth in the Prequalification Documents must be submitted to the County, in writing, not later than the seventh (7th) calendar day prior to submission by the Applicant of its Prequalification Submittal. Failure by an Applicant to so object shall constitute a final and conclusive waiver by the Applicant of its right to thereafter assert such objection, including, without limitation, the right to submit such objection as grounds for an appeal or protest pursuant to Article 5, below.

1.17 Calculation of Time Periods. If these Instructions or its attachments ask the Applicant to provide information or respond to a question concerning events occurring within a stated time period (such as, "within the past 5 years"), it shall be deemed to mean the period of time that precedes the date that the Applicant first submits its Prequalification Submittal to the County; provided, however, that if a question asks for information pertaining to a stated number of prior full calendar (or fiscal) years, it shall mean the stated number of years immediately preceding the calendar or fiscal year in which the Prequalification Submittal is submitted by Applicant. If these Instructions or its attachments ask, by exact words or in substance, that the Applicant provide information concerning conditions or circumstances as they exist currently, it shall be deemed to refer to the conditions or circumstances as they exist on the date that the Applicant submits its Prequalification Submittal.

All responses to questions in the Prequalification Questionnaire must be made on the form of Prequalification Questionnaire attached hereto as Attachment No.4 or where there is insufficient space in the Prequalification Questionnaire to provide a complete response, on separate sheets signed by the individual executing the verification on behalf of Applicant. If more than one signed verification is required, such separate sheets need only be signed by one signer of the verification signing on behalf of the Applicant. Failure to provide available information that is required by the Prequalification Documents shall be grounds for disqualification. Failure to provide information requested in response to a Question contained in the Prequalification Questionnaire that does not constitute a "pass/fail" or scored Question (i.e., a Question that seeks background or contact information only) shall be accompanied by an explanation of the reason for the failure to respond and any failure to respond that is found by the County to be without substantial justification shall constitute a grounds for disqualification. The minimum threshold capacity for performance bond and payment bond is stipulated in the Questionnaire for each Prequalification Category for which the Contractor seeks to be considered. The submitted notarized statement must be from the surety company, not an agent or broker. Nothing stated in the Prequalification Documents shall be construed as limiting the County's right to require that an additional notarized statement from a surety be submitted by Applicant at the time of submission of its Bid that is based upon the full amount of such Bid or that a performance bond and payment bond be submitted by Applicant as part of its Bid in the full amount of its Bid, even if its Bid is more than the amount of the County's Budget.

The listed Applicant name on the license held for the Prequalification Submittal must match the DIR registrant name.

4.3.9 Additional Information The County reserves the right, but shall not have the obligation, to request additional information from an Applicant that may be necessary to complete the County's evaluation of the financial ability of any person or entity who has submitted a Statement of Financial Condition or independent accountant's report relied upon by the Applicant. Applicant is responsible to provide such information, if requested, within five (5) calendar days of request by the County.

4.4 Financial Information.

4.4.1 Statement of Financial Condition. Except as otherwise provided in Paragraph 4.4.5 or Paragraph 4.4.6, below, each Applicant is required to submit as part of its Prequalification Submittal a Statement of Financial Condition in compliance with Articles 4.4.2, 4.4.3 and 4.4.4 below.

4.4.2 Time Period. The information stated in a Statement of Financial Condition shall be current as of the end of the last full fiscal year ending more than sixty (60) Days prior to the deadline in the Prequalification Schedule for submission of Prequalification Submittals, without consideration of any adjustments to such deadline that may be made pursuant to Prequalification Addendum.

4.4.3 Audit or Review. The information reflected in a Statement of Financial Condition must be audited or reviewed in accordance with generally accepted accounting principles by an independent, certified public accountant who: (1) is registered and licensed under the laws of any of the United States; (2) is not employed by the Applicant or any of its Applicant Constituent Members; (3) does not have a direct or indirect interest, financial or otherwise, in the business of the Applicant or any of its Applicant Constituent Members; and (4) does not receive more than fifty percent (50%) of his/her/its total annual accounting fees from the Applicant or its Applicant Constituent Members. A certification of “compiled” financial information is not acceptable.

4.4.4 Certificate of Accountant. Except as otherwise permitted by Paragraph 4.4.5 or 4.4.6, below, each completed Statement of Financial Condition shall, when submitted to the County as part of the Applicant's Prequalification Submittal, be accompanied by a duly executed Certificate of Accountant, on the letterhead of the Applicant's Accountant evidencing that the financial information reflected in the Statement of Financial Condition has been audited or reviewed by the Accountant and found to be a correct representation of the management of the proposing Contractor

4.4.5 Small Business Exception. An Applicant is exempt from the requirement to submit a Statement of Financial Condition under Public Contract Code Section 20101(e), if that Applicant is a small business pursuant to Government Code Section 14837(d)(1) seeking to bid projects that are “no more than 25 per cent of the qualifying amount provided in Section 14837(d)(1).”

4.4.6 Exceptions. No Statement of Financial Condition, Certificate or Accountant or independent accountant's report shall be acceptable which contains an opinion stating, in substance or effect, that the financial information of the person or entity audited, reviewed or reported does not present a fair and accurate statement of that persons or entity's financial position or that an opinion cannot be expressed because of restrictions placed on the audit, review or report, whether such restrictions are placed by the Applicant or otherwise. The submission of a Statement of Financial Condition and Certificate of Accountant or independent accountant's report that contains an exception must further include a statement of the reasons for the exception, the approximate amount involved and the overall effect of the exception on the financial condition of the person or entity whose financial condition is the subject of the audit, review or independent accountant's report. If the Applicant fails to complete all of the financial information requested or if exception (whether or not explained) is taken by the certified public accountant to any information provided, then the County reserves the right, in its sole and absolute discretion, to reject the entire Statement of Financial Condition or independent accountant's report or exclude any affected portion of the Statement of Financial Condition or independent accountant's report from consideration in determining whether the person or entity whose financial condition is under consideration meets the minimum requirements for prequalification.

4.4.7 Project Joint Ventures. The County recognizes that joint ventures formed for the purpose of bidding contracts may not have sufficient assets to satisfy the requirements for prequalification, even though the managing joint venture partner has such sufficient assets. Accordingly, if the Applicant is a Project Joint Venture, as defined in this Paragraph 4.4.7, then it will be sufficient if the Managing Partner of the joint venture submits the financial information required by this Section 4.4. A “Project Joint Venture” is a joint venture formed solely for the purpose of performing the classification of contracts for the County that are described in these instructions. “Principal Managing Partner” means the joint venture partner of a Project Joint Venture who is primarily responsible for the day-to-day management of the business of the Project Joint Venture and whose financial condition is necessary to Applicant's ability to prequalify for bidding the contracts within the Bidding Category(s) for which the Applicant seeks prequalification.

4.5 Evaluation Process. Each Applicant's Prequalification Submittal will be evaluated based on a uniform system of scoring. Without limitation to any other requirements set forth in the Prequalification Documents, in order to successfully prequalify an Applicant must:

4.5.1 Submit all of the documents and information comprising a complete Prequalification Submittal as required by Section 4.3, above and listed below;

4.5.3 At the conclusion of the Evaluation Process, Applicants with the top ranked 4 to 6 combined scores in each category will be selected for the list of Pre-Qualified JOC Contractors for the scored questions and submitted project reference forms set forth in Part IV and V of the Prequalification Questionnaire and, if interviews of Project References are conducted, for the Project Reference interviews. The County reserves the right to determine the number of JOC Contractors selected for prequalification.

4.6 Reference Interviews. Without limitation to the County's rights under Section 4.8, below, County reserves the right, but assumes no obligation, to contact and interview any person or organization identified in Applicant's response to Part V, A of the Prequalification Questionnaire concerning the Applicant's past performance on its Project References. Interviews will be conducted in accordance with the rules for interviews set forth in Part V, C of the Prequalification Questionnaire following a pre-set list of questions set forth in Attachment No. 3 attached hereto. Applicant assumes sole responsibility for any inaccuracies, or lack of currency of, the information provided by the Applicant in its Project References. Incorrect or non-current contact information provided in response to a request for a Project Reference may, in the sole discretion of County, be treated as a failure by the Applicant to provide a complete response, resulting in either a reduction in Applicant's score or disqualification.

4.7 Additional Investigations. In addition to the County's contacting the Project References listed in Applicant's responses to Part V of the Prequalification Questionnaire, County shall have the right, but not the obligation, before or after an Applicant has been prequalified, to investigate the facts or circumstances of any response by an Applicant. Except as provided in Article 5, below, the County has no obligation to afford any Applicant the opportunity, as part of the scoring process of an Applicant's Prequalification Submittal or otherwise, to respond to any adverse information that is

received as a result of such investigations. In addition to the foregoing, the County shall have the right, but not the obligation, before or after an Applicant has been prequalified, to designate auditors to perform audits or reviews of the books or accounts of the person or entity whose financial information forms the basis for the Statement of Financial Condition or independent accountant's report submitted and relied upon by the Applicant in order to confirm the accuracy and completeness of the financial information provided. The Applicant must make provision for and is responsible to ensure full and prompt cooperation with such audits or reviews.

4.8 Prequalification Selection. The County will designate an individual or group of individuals to conduct the evaluation of the Applicant's Prequalification Submittal on behalf of the County. The identities of such individual(s) shall not be disclosed by the County to the Applicants. Those individual(s) designated to score the Prequalification Submittal shall be employees of or consultant to the County.

4.9 Unauthorized Communications. Unless requested to do so in writing by County or as otherwise permitted by these Instructions, Applicants and Applicant Constituent Members shall not communicate, either verbally or in writing, concerning any aspect of the prequalification process with: (1) any consultant or professional retained by the County for the purpose of providing the County advice or professional services in respect to the prequalification process ; or (2) any employee or representative of the County.

4.13 Prequalification Addenda. Interpretations, corrections, and changes by the County of the Prequalification Documents will be made by Prequalification Addenda. 4.14 Preparation, Copies. The portions of the Prequalification Submittal prepared or filled in by an Applicant must be either typed or completed in ink. Responses in pencil are unacceptable. 4.18 Supplemental Information. 4.19 Withdrawal, Resubmission. Prequalification Submittals may be withdrawn upon written notice to the County that is received by County at the place for receipt of Prequalification Submittals. 4.20 Rejection, Cancellation, Revocation. Without limitation to any of the County’s other rights under the Prequalification Documents or applicable laws, the County reserves the right, exercised in its sole and absolute discretion, to at any time: (1) reject any Prequalification Submittal that fails to comply with the requirements of the Prequalification Documents or that contains any information that the County determines is false or misleading; (2) reject all Prequalification Submittals; (3) withdraw and cancel its Request for Prequalification of Prospective Bidders; (4) cancel, revoke or limit the prequalification status or rating of any Prequalified Bidder based on subsequently-learned information indicating that the Prequalified Bidder’s Prequalification Submittal contained false or misleading information; (5) cancel, revoke or limit the prequalification status, or rating of any Prequalified Bidder based on receipt of new information that the Prequalified Bidder is obligated to disclose in accordance with its continuing obligations under Section 4.22, below, including, without limitation, any such new information that reflects a material change in the financial condition of any person or entity submitting a Statement of Financial Condition or independent accountant’s report; or (6) cancel or revoke the prequalification status of all Prequalified Bidders for any reason, without cause and for its convenience (with or without the issuance of a further Request for Prequalification of Prospective Bidders). Exercise by County of its rights under this Section, or of any other right

of County under these Instructions or applicable laws to cancel, revoke or limit the prequalification status or rating of any Prequalified Bidder shall not, under any circumstance, give rise to any liability or obligation on the part of County nor shall it constitute grounds for any claim by an Applicant or Prequalified Bidder for recovery from County of any loss, damage, cost or expense.

4.21 New Information by Applicant. Applicant has the continuing obligation, commencing upon submission of its Prequalification Submittal and continuing until Award of a Construction Contract, to immediately notify the County, in writing, if it learns that any of the following have occurred: (1) any statement made in its Prequalification Submittal was false or misleading when made; (2) circumstances have occurred since the Applicant submitted its Prequalification Submittal that, if they had occurred prior to the date that Applicant submitted its Prequalification Submittal, would have constituted grounds for the automatic disqualification of the Applicant under the terms of Prequalification Questionnaire; provided, however, that the obligation set forth in Clause (2) of this Section 4.21 shall not extend to or include the providing of information that would involve a recalculation of the Applicant's Experience Modifier Rate; (3) there has been a change in or addition to the Applicant Constituent Members; (4) the Applicant has undergone a change in ownership in which ownership of 50% or more of its stock or assets has changed; or (5) there has occurred a reduction in net worth or working capital (as reported in the Statement of Financial Condition or independent accountant's report of such person or entity submitted as part of Applicant's Prequalification Submittal) of more than twenty-five percent (25%). Additional information provided by Applicant shall be submitted under oath using the form of verification provided as part the Prequalification Documents.

4.22 Certification for Bidding. A Prequalified Bidder may be required by County, as a condition of submitting a Bid in the future as a result of this Prequalification, to prepare and file a certification affirming under oath that it has no new information to disclose that would constitute new information of the type that it has a continuing obligation to disclose pursuant to Section 4.21, above.

4.23 Waiver of Irregularities. County reserves the right to waive minor or clerical irregularities, errors, or omissions in the prequalification process, in the information contained in any Prequalification Submittal or in regard to any Applicant's compliance with the prequalification process. The County's determinations with respect to waiving or not waiving any such irregularities, errors, or omissions shall, in the exercise of its sole and absolute discretion, be final, and binding upon Applicant.

4.24 Not Public Records. Except as otherwise provided by applicable laws, a Prequalification Submittal (including, but not limited to, any included financial information) is not a public record and is not open to public inspection. However, contents of a Prequalification Submittal may be disclosed to third parties for the purpose of verifying information or in the process of an appeal or determination of a protest. If applicable law provides that the names of contractors applying for prequalification status are public records subject to disclosure, and if applicable law does not otherwise require, only the first page of the Prequalification Questionnaire will be disclosed.

4.25 Applicable Laws. All Prequalification Submittals must be submitted, filed, made, and executed in accordance with applicable laws, whether or not such applicable laws are expressly referred to in or conflict with the requirements of the Prequalification Documents.

4.26 Costs and Expenses. Applicants shall bear, at their own expense and without reimbursement by the County, all costs, and expenses associated with their participation in the prequalification process or in connection with the preparation or submission of Bids for the Project.

4.27 Receipt of Notices. Notices by the County to an Applicant that are issued after the deadline in the Prequalification Schedule for submission of Prequalification Submittals shall be deemed delivered and received by the Applicant if provided by delivery, mail, facsimile or e-mail to the Applicant at the address provided by the Applicant at the Prequalification Conference, in its Prequalification Submittal, or at the Applicant's last known address. It is the obligation of the Applicant to verify issuance of Notice by the County of a Prequalification addenda by checking County's website. County will seek to distribute such Notices to Applicants via email or addresses as provided by Applicant. Failure of an Applicant to receive a Prequalification Addendum shall not entitle the Applicant to an extension of the Prequalification Schedule nor

shall it permit the submission of any additional prequalification information after the deadline for receipt of the Prequalification Submittal set forth in the Prequalification Schedule.

4.28 Notice of Prequalification. The County will issue a notice ("Notice of Prequalification") to Applicants who have successfully prequalified. Formal issuance of a Notice of Prequalification is for the convenience of the Applicants and is not a condition to the validity of the County's determination that an Applicant is or is not prequalified.

4.29 Non-Transferable. Neither an Applicant's Prequalification Submittal nor a Prequalified Bidder's prequalification status is assignable or transferable. Any attempt to assign or transfer in violation of this provision shall be null and void.

4.30 Subsequent Responsibility Determination. A determination that an Applicant is prequalified does not constitute a waiver by the County of its right to make a subsequent determination that a Prequalified Bidder, or any Subcontractor to a Prequalified Bidder, is not a responsible bidder as defined in Public Contract Code Section 1103 to submit a Bid for Award of the Construction Contract for the Project.

4.31 Debriefing. At the County's option, exercised in its sole and absolute discretion after the issuance of the Notice of Prequalification, the County may make available for those requesting it an opportunity for a debriefing. Debriefings, if conducted, will be conducted in accordance with the Prequalification Schedule. At the prequalification debriefings, summaries of the overall evaluation of an Applicant's Prequalification Submittal will be reviewed. Copies of Prequalification Submittals or scoring of individual questions will not be provided nor will there be point-by-point comparisons of competing Prequalification Submittals.

ARTICLE 5 **APPEALS AND PROTESTS**

5.1 Appeals.

5.1.1 Appeal of Prequalification Determination. Any Applicant may dispute the County's determination denying prequalification status to the Applicant by filing an appeal provided that each and all of the following are complied with:

.1 The appeal shall be in writing and include a request for hearing of the appeal.

.2 The appeal shall be based on a dispute relating to the prequalification rating of the Applicant filing the appeal; appeals are not permitted if the reason for disqualification is the failure by Applicant to submit a complete Prequalification Submittal.

.3 The appeal shall be filed with and received by the County at the following address: 3133 Mission Inn Avenue, Riverside, CA 92507, not more than ten (10) calendar days following the date of issuance of the County's Notice of Prequalification. Failure to timely file an appeal shall constitute grounds for the County to deny the appeal without further consideration of the grounds stated therein and shall constitute a waiver by Applicant of any and all rights to challenge the prequalification decision of the County, whether by administrative process, judicial process or any other legal process or proceeding.

5.1.2 Notification of Grounds. If the Applicant's written notice of appeal requests that County give a written explanation of the basis for disqualification, then County shall provide the Applicant with a written statement of the basis for Applicant's disqualification and any supporting evidence that has been received from others or adduced as a result of an investigation by the Applicant.

5.1.3 Hearing. An Applicant that has properly filed an appeal in accordance with the requirements of Paragraph 5.1.1, above, shall be given notice and opportunity to appear before a committee ("Appeal Committee"), consisting of individuals appointed by the County Economic Development Agency, to rebut any evidence used as a basis for disqualification and to present evidence as to why the Applicant should be prequalified. Hearing before the Appeal

Committee shall be an informal process. If the Applicant chooses not to avail itself of this process, then the County's determination that the Applicant is not prequalified may be adopted by the County without further proceedings.

5.1.4 Final Decision. The Appeal Committee shall provide a written decision to the Applicant filing the appeal, either granting or denying the appeal. A written decision of the Appeal Committee on an appeal shall be final, unless overturned by the Board of Supervisors.

5.2 Protests. Any protest with respect to the conduct of the prequalification process, not involving an appeal by an Applicant pursuant to Section 5.1, above, of a determination that such Applicant is not prequalified, must be filed within ten (10) calendar days following the date of issuance of the County's Notice of Prequalification. Such protest shall state the grounds for the protest and any evidence and legal authority for such protest. Without limitation to the provisions of Section 1.16, above, failure to do so shall result in Applicant waiving all rights and grounds for protest of the County's execution, handling, or implementation of the prequalification process. Determination by County of protests that are properly and timely noticed in accordance with this Section 5.2 shall be made by County based on the information submitted as part of the protest and without the necessity of a hearing.

5.3 Bid Closing. The date for submission of Bids for a Contract subject to this Prequalification shall not be delayed or postponed to allow for completion of the processing of an appeal or protest.
