## **CLARIFICATIONS:**

**Q1:** As the Prime Consultant do you just want to receive qualifications for our firm, or do you want to see a complete set of qualifications for all of our anticipated Sub-Consultants as well?

**Response to Q1:** The County will require information and names of the Sub-Consultants that will be utilized for the project.

**Q2:** Can you give me an idea of the number of sites the County desires for the new RV Park?

**Response to Q2:** Presently, the number of spaces has not been determined for the RV Park and the County is looking to the Design Professional to determine the number of spaces based on the required infrastructure that will be required given the projected area.

**Q3:** Who is the target user group for the new RV Park, is it for public recreational use or intended for seasonal / event specific RV use by Vendors?

**Response to Q3:** Presently, the existing area for RV parking is utilized by vendors of the Riverside County Fair and other events hosted by the Fairgrounds or within the Coachella Valley. The ultimate intention of the RV Park is for year-round usage.
